I declare and state as follows:

1. My name is Joshua Banko. I am over eighteen years of age and am competent to testify regarding the matters stated herein. I have personal knowledge of the facts set forth herein.
2. I am a registered voter in Maricopa County.
3. On Tuesday, November 3, 2020, I was working as a clerk for the Maricopa County Elections Department at the polling location located at Paradise Valley Mall in Phoenix, Arizona. I worked there from approximately 5:30 in the morning to approximately 8:15 at night.
4. Starting at the very beginning of the day, voters began experiencing problems feeding their ballots into the tabulation machine. This caused significant delays in voting and lasted throughout the day. The tabulation machine was telling me that it was detecting errant or extraneous lines outside of the voting section of the ballot. However, in my presence many voters showed their ballot to the elections marshal and the site inspector to demonstrate that there were no errant marks on their ballot. Ballots that were rejected by one machine were tried on the other tabulation machine and in different orientations, always without success. For these reasons I believe that the issue was caused by the use of sharpies at the polling location. Voters who experienced this issue were told by the marshal that they could spoil their ballot but if they didn't care about the candidate for the section of the ballot where they were having the issue they could double vote and spoil just that vote. The marshal and site inspector encouraged voters to do this instead of spoiling their ballot and obtaining a new one. I would estimate that approximately 80% of voters at this polling location

experienced this issue. There was a steady flow of voters through the location all day with long lines all day.

Executed on 11/4/2020, in Scottsdale (city), Arizona.
