**Superior Ct. Case No. CV2020-014562**

**NOTICE OF TRANSCRIPT ORDER**

**Superior Ct. Judge:** Hon. Margaret Mahoney

Plaintiffs Laurie Aguilera and Donovan Drobina (“**Plaintiffs**”) hereby designate the following transcripts to be included in the record on appeal:

1 A. November 16, 2020 return hearing on order to show cause (entire transcript).

2 B. November 20, 2020 oral arguments on dispositive motions and evidentiary hearing  
3 (entire transcript).

4 These transcripts are attached hereto, and thereby served on the other parties to the lower  
5 court action.

6 As set forth in Plaintiffs' Notice of Appeal, the issues to be raised on appeal  
7 include, without limitation, whether the trial court erred in dismissing, and alternatively  
8 in denying relief on the merits, concerning the sixth cause of action in Plaintiff's Verified  
9 Complaint. Particularly:

10 1. Whether Maricopa County violates its legal duty to electronically adjudicate votes  
11 in a location open to public viewing when it: (1) denies the general public access to the  
12 facility where electronic adjudication is performed and (2) the cameras set up by the  
13 County to allow the general public to observe the electronic adjudication process do not  
14 actually show the process taking place.

15 2. Assuming the Court's holding that Aguilera and Drobina lack standing applies to  
16 Claim 6, whether Plaintiffs have standing to obtain the relief sought in Claim 6.

17  
18 Respectfully submitted this 13<sup>th</sup> day of January, 2021
